**THE UNION LIGHT, HEAT AND POWER COMPANY'S  
REQUEST FOR AN INFORMAL CONFERENCE**

---

The Union Light, Heat and Power Company (ULH&P) respectfully requests that the Kentucky Public Service Commission (Commission) schedule an informal conference in this proceeding. In support of this request, ULH&P respectfully states:

1. On June 18, 2004, ULH&P filed an Application for approval of certain economic development tariffs.
2. On July 21, 2004, the Commission established a procedural schedule in this case, providing for the parties to submit data requests to ULH&P.
3. On July 27, the Commission's Staff and the Kentucky Attorney General (AG) submitted data requests to ULH&P. ULH&P provided responses to these data requests on August 6<sup>th</sup> and 9<sup>th</sup>, respectively, noting that it would have to supplement three responses to the AG's data requests.
4. On August 19, 2004, the Staff submitted supplemental data requests to ULH&P. ULH&P provided responses to these on September 1, 2004.
5. On September 15, 2004, the Commission issued an Order requiring ULH&P to file supplemental responses to the AG's data requests, and

otherwise allowing the parties an opportunity to request an informal conference in this matter.

6. On September 24, 2004, ULH&P filed its supplemental responses to the AG's data requests.
7. ULH&P believes that an informal conference in this matter would be beneficial to the Commission and the AG by allowing ULH&P to further describe the benefits and structure of its economic development tariffs. ULH&P requests that this informal conference be held on October 21, 2004, provided that date accommodates the Staff and the AG.

Wherefore, for the reasons stated herein, ULH&P requests that the Commission schedule an informal conference with the intervening party in this proceeding.

Dated at Cincinnati, Ohio, this 30<sup>th</sup> day of September, 2004.
